Dear Ms. Sharma,

We are delighted to offer you the position of **Senior Data Engineer** at Nimbus Technologies, Inc. This letter sets out the principal terms of your employment.

Position	Senior Data Engineer, Data Platform team
Reporting to	Mr. Kevin Alvarez, Director of Engineering
Start date	1 September 2026
Annual salary	USD 168,000, paid semi-monthly
Signing bonus	USD 15,000
Work location	San Jose, CA (hybrid)

This offer is contingent upon verification of your eligibility to work in the United States and a standard background check. Please provide your Social Security Number (SSN: ***-**-3092) and a valid government ID on your first day for payroll setup.

To accept, please sign below and return this letter by 20 August 2026. If you have any questions, contact our HR manager, Ms. Laura Bennett, at laura.bennett@nimbustech.com or +1 (408) 555-0170.

Sincerely,

Laura Bennett — Human Resources Manager
